Save: If you save a partially completed form you may continue filling in later.

Finalize: After finalization the form can no longer be changed.

Save: you can continue filling the online application later on

Finalize: submitting the completed application

IMPORTANT: please check the filled data and documents before finalizing because after clicking on Finalize you cannot edit the entered data anymore and you have to start a blank form again if you wish to change anything in your application data or documents. BME will consider only your latest finalized application!
