

## Guide to downloading request supplements for Neptun

Go to

1. [Administration/Requests](#)
2. [Submitted requests](#)
3. Choose the approved request.
4. Click on the [+](#) sign at the end of the row
5. From the menu choose [Download supplements as pdf](#)

The screenshot shows the Neptun system interface with the following elements:

- Navigation tabs: Exams, Finances, Information, Administration.
- Section: Requests
- Actions: Add to favourites
- Buttons: Available request forms, Submitted requests
- Table with columns: Name, Identifier, Date of handing in, Status, Adm.
- Dropdown menu for the selected row: View, Request attachment, Download supplements as pdf, Download as PDF, Download attachments as a zip file, View resolution, Correction, Points, View opinions, Decision reason.

Name	Identifier	Date of handing in	Status	Adm.
<a href="#">E200 Registration Form for Scholarship Holders</a>	E200 Registration Form/578	8/29/2019 4:46:00 PM	Approved and closed
